Parent permission for Internet usage is **REQUIRED** for any FAMU DRS Student. Use of the Internet must support education and educational activities. The use of the Internet is not a right, but a privilege. Inappropriate use will result in cancellation of that privilege. Inappropriate use may include violating student or staff's right to privacy, using profane, obscene or offensive language, use of access for personal or private business, misuse or sharing of passwords, reporting personal communications or using identifiable information or individually owned material without the owner's permission.

INTERNET USER AGREEMENT

I have read, understand and will abide by the User Access Procedures. I understand that this access is designed solely for educational purposes and that FAMU DRS has taken reasonable precautions to supervise Internet usage. However, I recognize that it is impossible for the school to control access to all information or materials and I will not hold the school responsible for materials acquired or contact made on the Internet. I also accept full responsibility for supervision of my child outside the school setting. I hereby give permission to establish an account for my child and certify that the information on this application is true and correct to the best of my knowledge and belief.
