

ACTIVITY FEE POLICY

ACTIVITY FEES

Activity fees will be assessed at the beginning of each school year. The fee monies will be utilized by the school to support student related activities.

CURRENT FEES

The activity fee per student for grades K-12 is \$250.00 annually as set by the Board of Trustees. Families with multiple children attending FAMU DRS are provided a fee schedule with a reduction of fees according to the number of siblings attending. The fee amount can be amended for coming school years through recommendation of the FAMU DRS School Board's Budget Committee, and by approval of the Board of Trustees.

FEE DEADLINE

Student Activity fees are due by August 15th of each school year. Fees for students admitted after the first day of school, are due within 30 calendar days of admission. Payments may be paid in two parts, one half must be paid by August 15th and the second half no later than January 15th. Pre-payments can be made during the summer months.

Accounts not paid in full by the deadline will be assessed an administrative fee for late payment. Late fees will be assessed on September 15th for the first semester fees and February 15th for the second semester fees. Late fees are not charged to student accounts that are being paid by a pre-arranged payment plan. Students shall be prohibited from participation in student activities until all activity fees have been paid. If the activity fee is not paid in full by the end of the school year, the student's invitation for enrollment to FAMU DRS may be withdrawn for the next school year.

EXTRA-CURRICULAR ACTIVITIES

Any student who has an outstanding activity fee balance will not be permitted to participate in any extra-curricular activity (such as, but not limited to: athletics, band, chorus, student government, and Royal Court) that is funded through the collection of these fees.

PARTIAL YEAR FEE SCHEDULES

Activity fees will be prorated for new students who attend for less than a full school year. For each part of a quarter that the new student attends FAMU DRS, they must pay $\frac{1}{4}$ of the activity fee. There are no refunds, nor are fees prorated due to withdrawal except when the withdrawal is made within 30 calendar days of admission.
